

It's EASY to become a Chula Vista CLEAN Business!

Follow these three simple steps:

1 APPLICATION. Review the certification criteria and checklists. Complete the checklists by indicating the suggested measures/practices your business would like to implement. Once implemented, fill out and submit this application and your completed checklists for review.

2 VERIFICATION. Allow program staff to verify the selected measures and track your progress by setting up a site visit at your business. Call (619) 691-5122 and select #6 from the menu to set up a visit. Once certified, your business will be presented with a certificate and window decal.

3 RECOGNITION. Submit a business description and a picture of your choice. These will be used on the Chula Vista CLEAN Business website to advertise your business—at no cost to you!
